Address:

815 N Woodlawn St, Wellington

Price:

30.00 \$

This year was the first year I left it out unprotected from the cold and this summer so there has been some Rust develop over it just this year and it will be easy to remove. The seat and the rubber handles are fairly new. Offering with this bicycle a brand new chain and a brand new inner tube. It will need a new front tire which will cost \$20 on Amazon or Ebay for purchase at Walmart.
